

DSA FESTIVAL PASSPORT

This year we are including ages 2-4 yrs., 5-10 yrs., and 11-15 yrs for our Festival Passport. Children will pick up their Passports at the Library Table in front of the Library and go to 4 stations identified in the passport. Balloons will be at the stations for easy identification.

The children are asked to write a few words on what they learned at each station (Parents can help) and receive a sticker from the volunteer that shows completion of that station. Please place the stickers in the lower right hand corner of the page.

Volunteers will have all three Passports should there be any questions. The colors for the passports are White for 2-4 group, Blue for 5-10 groups and Red for 11-15 group. Please pass your passport booklets and stickers on to the next shift of volunteers.

When they have completed all 4 stations, they return to the Library Table, fill out the last page with full name, parent's phone and email, age, and deposit into the drawing box. The Passport contest will end at 7pm with the drawings to follow around 7:15pm. Please return your passports and left-over stickers to the Library as well.
